Morefilter.com

In 2020, More Filter was founded in China, with a warehouse in the United States. We are a wf3cb water filter manufacturer, serving thousands of homes and businesses in the United States.

MoreFilter.com is one of the top online shops for 4396710 water filter. We have more than 30 types of water filters, most of them have been tested and certified by IAPMO to NSF/ANSI 42 (System) for lead free compliance, and are certified for Materials Safety, Structural Integrity and System Performance. We have 6 production lines, and our daily capacity is 15000 pcs.

Main Product

Refrigerator Water Filter

GlacialPure 3Pk Filter 1, EDR1RXD1, W10295370A

Product Details

The GlacialPure GP001 for Whirlpool EveryDrop EDR1RXD1 (FILTER 1) takes over for the W10295370 filters and is used in refrigerators by Whirlpool, KitchenAid, Maytag, Amana, Jenn-Air, Kenmore and others.

The Whirlpool EDR1RXD1 filter creates better tasting water for drinking and making beverages as well as clean, clearer, healthy ice.

The GP001 refrigerator water filter needs to be changed every six months or 200 gallons (whichever comes first).

GPE001 is compatible with the following models:
